

Conference on Blue Integrated Partnerships & the 2050 Workforce of Tomorrow

Research, innovation, and businesses

July 29th - Aug 1st

Join us at **Purdue University** to discuss and build relations with speakers and program managers from SBIR and STTR programs, federal funding agencies (e.g., NASA, DHS, DoD, Department of Education), national labs, and universities.

The Conference Goals are to build a diverse pipeline ready to solve the grand challenges of 2050, and to engage the broad community with Historically Black Colleges, Hispanic Serving Institutions & Universities, Fortune 500 companies, Small Business and Federal Agencies to promote economic prosperity.

Join us at Purdue University (West Lafayette) or virtually (hybrid event).

Registration Fee*:

Professionals/Businesses - \$ 200 for in-person event or \$ 150 for virtual event registration

Students - \$ 30 in-person event or virtual event registration

**includes food and drinks as per the agenda only*
